

SANGHI INDUSTRIES LIMITED

31st ANNUAL REPORT 2017-18

Adaptation from a Painting by Shri Jagannath Panda
Created at Sanghi Live Art Fest, Sanghipuram, organized for Promotion of Art & Culture.

Artist : Jagannath Panda
Medium : Acrylic on Canvas
Size : 3x4 Ft.
Year : 2016

The above painting is created by renowned Indian Artist Shri Jagannath Panda at Sanghi Live Art Fest, Sanghipuram, Kutch during Dec 14, 2016 to Jan 02, 2017.

During the art camp Jagannath went to our school to have an interactive session and to create a 60 feet large wall mural in the school wall along with the students. He ask the students to respond and draw any inspiration and dream from the phrase "We are here for a reason". While interacting with the students, Jagannath inspired a student to draw his dream architecture drawing. The Student who want to become an architect created a wonderful drawing of his imaginary building.

Jagannath got inspired from this interaction with the student and created the above painting in which he depicted his time with the students. The background of grey color, which is the color of transition and further he has shown a building that depicts the imagination of the child and the white lights in some part of the building that depicts hope.

In Indian Culture, there is a tradition to worship Tree and a tree is considered as a holy form of life. Here in the painting the tree form shown in the foreground is the symbol of the pure mind of a child – the dried colored branches of the tree are being converted to blue color showing the transformation of the child's thought process and his dreams. Overall this painting is a multi faceted painting showcasing a mix of hope both sprit and substance.

Corporate Social Responsibility

At Sanghi Industries Limited (SIL), the Corporate Social Responsibility (CSR) has been an integral part of the way we have been doing our business since inception. SIL is having 4.1 million tonnes per annum capacity cement plant in the Abdasa taluka of Kutch district in Gujarat. Right from the beginning, SIL has focused on developing the social infrastructure in the surrounding area where most villages suffered from chronic ills like limited livelihood options, acute scarcity of water, poor or no healthcare facilities, barren land and no set up for education.

SIL has always believed in transformation of socio-economic conditions of the region it operates in. The company is conscious about the responsibility towards society and has proved itself as a responsible Corporate Citizen.

SIL enjoys the distinction of being one of the first cement companies in India to be awarded SA:8000:2008 i.e. Social Accountability Certificate for its plant for the last seven years (earlier SA:8000:2001). Social Accounting is a process of ongoing monitoring, evaluation and accountability which helps an organization to measure its performance against social, environmental and economic objectives and ensures that its working is in accordance with its values.

This certification is a result of the sincere and untiring efforts put in by the management for fulfilling its Corporate Social Responsibility in to over the last decade for:

- Creating green revolution in the desert Kutch region by cultivating land for growing trees, fruits, vegetables and flowers.
- Providing educational facilities through a CBSE affiliated School;
- Providing hospitals and first aid facilities within few hundred kilometers; and
- Conducting social awareness programmes on various issues

The company has constituted the Corporate Social Responsibility Committee in compliance with the provisions of section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014. The Corporate Social Responsibility policy enumerating the CSR Activities to be undertaken by the Company, in accordance with the Schedule VII of the Companies Act, 2013 approved and adopted by the Board of Directors is also placed on the website of the Company <http://www.sanghiment.com/policies>. The requisite details on CSR Activities pursuant to Section 135 of the Companies Act, 2013 and rules framed thereunder are annexed as **Annexure V** to this report.

The details relating to the Composition of committee and meetings convened of the Committee etc. are furnished in the Corporate Governance Report which is forming the part of this report.

MANAGEMENT DISCUSSION AND ANALYSIS

The Management presents the analysis of your Company's performance during the year ended on 31st March 2018 ("2018"). The Management also presents its outlook on the cement industry, in brief, for the future. This outlook is based on current business environment and information available on Indian economic scenario and may vary due to future economic and other developments in India and abroad. Further, the information on the economy and industry is based on various reports on industry and websites and the Company is not responsible for any discrepancy/error in the information.

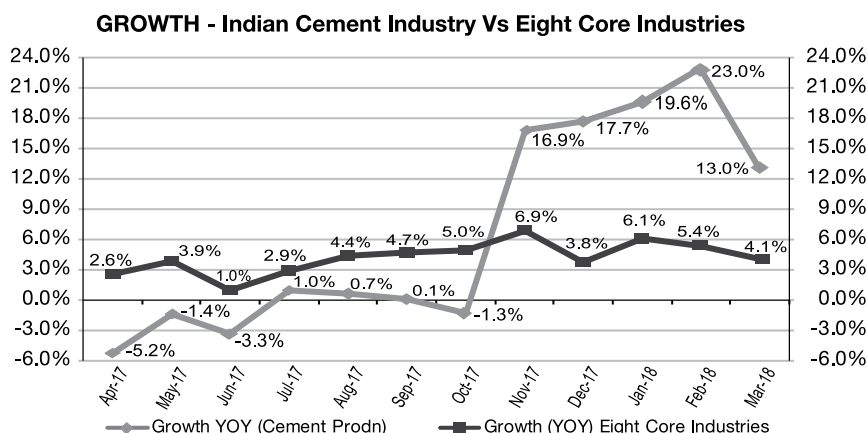

Macro Economics of India

The Indian economy is estimated to have a GDP growth of 6.5 per cent in 2017-18, as compared to the growth of 7.1 per cent in 2016-17.

While our country's Revenue Deficit to GDP ratio is estimated to reduce to 1.9% in 2017-18 from 2.1% in 2016-17, the revised estimate of Gross Fiscal Deficit to GDP is same at 3.5% in 2017-18 from 3.5% in 2016-17.

Cement Industry – Present Scenario and Outlook

The monthly growth trend during FY-18 of our cement industry compared to eight core industries of India is shown below.

The demand for cement can be classified into four segments, namely housing (55-60 per cent), infrastructure (20-25 per cent), commercial construction (5-10 per cent) and industrial segments (10-15 per cent).

The cement industry's production increased by 6.3% in FY-18 compared to a negative growth of 1.2% in FY-17. The cement production was 297.56 million tonne in FY-18 against 279.98 million tonne in FY-17. The capacity utilization during FY-18 was around 65% against 68% during FY-17.

India has a potential for development in the infrastructure and construction sector and the cement sector is expected to largely benefit from it. Our Government's continued focus on nation-wide infrastructure growth and various affordable housing projects, amongst other initiatives including smart cities, are expected to support demand for cement.

Highlights on End-User Industries

The Construction sector is estimated to grow at 3.6% in FY-18 (on Gross Value Added) compared to 1.7% in FY-17. The production of Infrastructure /Construction goods industry has grown by 3.8% during April to November 2017 against 3.9% in FY-17.

In construction sector (comprising of infrastructure activities and townships, housing), the Foreign Direct Investment by way of equity has grown by 22% during April to October 2017 against a negative growth of 57% in FY-17.

Real Estate

In Budget 2018-19, Government of India announced setting up of an Affordable Housing Fund of ₹ 25,000 crore (US\$ 3.86 billion) under the National Housing Bank (NHB) which will be utilised for easing credit to homebuyers. The move is expected to boost the demand of cement from the housing segment.

The Government of India has launched new flagship urban missions like the Pradhan Mantri Awas Yojana (Urban), Atal Mission for Rejuvenation and Urban Transformation (AMRUT), and Swachh Bharat Mission (Urban) under the urban habitat model. In February 2018, creation of National Urban Housing Fund was approved with an outlay of ₹ 60,000 crore (US\$ 9.27 billion). Under the Pradhan Mantri Awas Yojana (PMAY) Urban 1,427,486 houses have been sanctioned in 2017-18. In March 2018, construction of additional 3,21,567 affordable houses was sanctioned under the scheme.

Under Union Budget 2018-19, Pradhan Mantri Awas Yojana (PMAY) (Gramin) was allocated ₹ 33,000 crore (US\$ 5.10 billion) while the urban programme of the scheme was allocated ₹ 31,500 crore (US\$ 4.87 billion).

India's rank in the Global House Price Index has jumped 13 spots to reach the ninth position among 55 international markets, due to increasing prices in mainstream residential sector. India stood third in the US Green Building Council's (USGBC) ranking of the top 10 countries for Leadership in Energy and Environmental Design (LEED) certified buildings.

Infrastructure

In October 2017, road projects worth ₹ 6.92 trillion (US\$ 107.64 billion) were approved to build an 83,677 km road network in the country. All villages in India will be connected through a road network by 2019 under Pradhan Mantri Gram Sadak Yojana (PMGSY). In August 2017, a new Metro Rail Policy was announced to boost private investment in the sector.

In January 2018, the National Investment and Infrastructure Fund (NIIF) partnered with UAE-based DP World to create a platform that will mobilise investments worth US\$ 3 billion into ports, terminals, transportation, and logistics businesses in India.

Under Union Budget 2018-19, US\$ 92.22 billion was allocated to the infrastructure sector.

India and Japan have joined hands for infrastructure development in India's north-eastern states and are also setting up an India-Japan Co-ordination Forum for Development of North East to undertake strategic infrastructure projects in the North East.

2. International Accreditations

Your company is amongst the very few corporates in India and certainly one of the first cement plants in India to receive the following 5 International accreditation.

1. ISO 9001:2008 (Quality Management System Standard)
2. ISO 14001:2004 (Environmental Management System Standard)
3. OHSAS 18001:2007 (Occupational Health & Safety Management System Standard)
4. SA 8000:2008 (Social Accountability Management System Standard)
5. ISO/ IEC 17025:2005 (NABL accreditation for Chemical and Mechanical Testing)

3. Sales

Sales Volume

Product	FY-18 (lac mt)	FY-17 (lac mt)	%
Cement	23.62	25.30	(7%)
Clinker	0.77	3.60	(79%)
RMC (M ³)	0.63	0.30	109%
Total	25.02	29.20	(14%)

Due to longer maintenance programme and upgradation work, the production and sales volume was lower in FY-18.

The higher realizations for the Company has in FY-18 over FY-17 has resulted in gross sales for FY-18 to increase by around 4% to ₹1279 crore compared to ₹1232 crore during FY-17.

Gross Sales (₹Crore)

Product	FY-18	FY-17	Increase/(Decrease) in FY-18
Cement Domestic	1215.78	1113.95	9%

RMC (M ³)	19.36	10.90	78%
Total	1289.49	1232.37	5%

4. Costs

The major cost analysis for FY-18 over FY-17 is given below.

- The raw material cost per tonne of sale has increased by around 21% in FY-18 over FY-17. This is mainly because of purchase of clinker during the last quarter due to maintenance of Raw Mill. The Company has used high quality-high cost gypsum for further improving quality of its cement. There was also increase in prices of fly ash and slag.
- Power and fuel cost per tonne of sale has increased by around 23% in FY-18 over FY-17 mainly because of increase in coal and petcoke cost and comparatively lower production over FY-17. The Company has been able to optimize the cost by blending more of cost effective fuel and lignite.

Sanghi Industries Limited

- Selling and distribution cost per tonne of sale has increased by around 17% in FY-18 over FY-17 mainly because of increase in freight cost. The Company's logistic cost for distributing in Maharashtra has reduced by around 10% due to deployment of its owned ships during FY-18. Earlier, the Company had chartered the vessels for bringing cement to Maharashtra market.
- Increase in other expenses is mainly due to increase in other manufacturing expenses on account of High Speed Diesel used for vehicle movement within the plant and higher Consultancy and Legal charges due to additional borrowing during the year.

5. Profits and Margins

The Company has earned Profit before Depreciation, Interest and Tax (PBDIT) of ₹ 237.8 crore in FY-18 against ₹ 200.4 crore in FY-17.

The PBDIT margin was 22.7% for FY-18 and 20.0% for FY-17.

The profit before tax and profit after tax were ₹ 93.3 crore and ₹ 63.1 crore respectively for FY-18 and FY-17. The Company was not required to make any income tax provision due to carried forward set-offs available to it under the Income Tax laws.

6. Switchover to Goods and Service Tax

During the year, Company has implemented upgraded software system and operating procedures and successfully migrated to Goods and Service Tax regime

7. Internal Control Systems

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013. The management maintains adequate internal financial control systems encompassing its entire business operations, statutory compliances and Financial Reports.

The Internal Audit also aims at testing the operational effectiveness of the internal financial control system and thereby facilitates an objective assurance to the Board and Audit Committee regarding the adequacy and effectiveness of the system.

8. Human Resources

The Company is an equal opportunity employer and lays special emphasis on welfare of its employees. It provides them with the best facilities and strives to engage and retain talented workforce at all levels. It encourages continuous learning and provides a conducive environment for personal and professional growth thereby leading to the growth of the Company.

9. Future Outlook

Considering the measures and initiatives planned and/or taken by the Central and State Governments of India on infrastructure spending, real estate development and other macro-economic issues, the Company expects a good demand for cement and stable prices.

10. Risk and Concerns

The Company has devised the Enterprise Risk Management System which is periodically reviewed. The key areas of risk are as under.

- Due to seasonal and cyclical nature of the cement industry, variation in cement prices and volumes cannot be ruled out.
- Company requires heavy use of fuel such as lignite, imported coal and pet coke, as key fuel in the production process as well as for generation of power. Therefore, it is heavily exposed to the volatility in the fuel prices and foreign exchange fluctuation.
- Any adverse variation in prices of other inputs, changes in tax structures, may not be possible to be passed on to the customer fully.

11. Cautionary Statement

The statements forming part of the Management Discussion and Analysis covered in this report may be forward looking. The actual results may differ from the expectations expressed above. The various external and internal factors, not currently anticipated, may influence the performance of the Company.

12. Expansion Plans

The Company has planned expansion of its capacity from 4.1 to 8.1 mtpa. The financial tie-up for the same is completed and Company has also raised equity capital through Qualified Institutional Placement issuance. The work on the project is expected to commence in FY-19.

REPORT ON CORPORATE GOVERNANCE

I. A brief statement on the Company's philosophy on Code of Governance

The Company defines Corporate Governance as a systematic process by which companies are directed and controlled to enhance their wealth generating capacity. The Corporate Governance initiative is based on two core principles. They are (i) Management must have the executive freedom to drive the enterprise forward without operational constraints; and (ii) this freedom of management should be exercised within a framework of effective accountability.

The Company believes that any meaningful policy on Corporate Governance must provide empowerment to the executive management of the Company, and simultaneously create a mechanism of checks and balances which ensures that the decision making powers vested in the executive management are used with care and responsibility to meet stakeholders' aspirations and society's expectations.

From the above definition and core principles of Corporate Governance emerges the cornerstone of the Company's governance philosophy, namely trusteeship, empowerment and accountability, transparency, control and ethical corporate citizenship. The Company believes that the practice of each of these leads to the creation of the right culture in which the Company is managed in a manner that fulfills the purpose of Corporate Governance.

Annexure II

POLICY ON DIRECTOR'S APPOINTMENT AND REMUNERATION

In terms of Section 178 of the Companies Act, 2013 read with the applicable rules thereunder and Regulation 19 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Nomination and Remuneration Committee recommended the policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management of the Company which was approved and adopted by the Board of Directors of the Company.

Objectives:

- To provide guidance to the Board for appointment and removal of Directors, KMP and Senior Management;
- To formulate criteria for performance evaluation of Directors, KMP and Senior Management and to provide necessary evaluation report to the Board; and
- To recommend to the Board remuneration payable to the Directors, KMP and Senior Management.

Role of Nomination and Remuneration Committee:

The Committee shall perform the role for following matters:

Criteria for appointment of Director:

- To determine the age, qualifications, qualities, skills, positive attributes and independence of a director and other expertise required to be a Director.

Nomination of directors:

- Identifying, screening and reviewing candidates qualified to be appointed as Executive Directors, Non-Executive Directors and Independent Directors.
- Recommending to the Board candidature for appointment or re-appointment of Directors.
- The Nomination Committee may act on its own in identifying potential candidates, inside or outside the Company, or may act upon proposals submitted by the Chairman of the Board of Directors. The Committee will review and discuss all documents pertaining to candidates and will conduct evaluation of candidates in accordance with a process that it deem fit and appropriate, passing on the recommendations for the nomination to the Board.

Evaluation of Director:

- The Committee develops, subject to approval by the Board, a process for an annual evaluation of the performance of the Board, the individual directors on the basis of detailed performance parameters set for directors at the beginning of the year.
- The Committee may, from time to time, also evaluate the usefulness of such performance parameters, and make necessary amendments.

Consultative role:

- The Nomination Committee plays a consultative role for any appointment requiring Board approval, as stipulated by law or regulation, for top management positions such as that of the Manager, Chief Financial Officer and Company Secretary. It provides its advice and recommendations to the Board.

Evaluation of KMP and Senior Management:

- The committee shall annually review and approve for the KMP and Senior Management the corporate goals and objectives applicable to them, evaluate at least annually their performance in light of those goals and objectives, and determine and approve their (a) annual base salary, (b) annual incentive bonus, including the specific goals and amount, (c) any other benefits, compensation or arrangements, based on this evaluation.

- The Committee may also make recommendations to the Board with respect to incentive compensation plans. The committee may review the Company's incentive compensation arrangements to determine whether they encourage excessive risk-taking, review and discuss at least annually the relationship between risk management policies and practices and compensation, and evaluate compensation policies and practices that could mitigate any such risk.

Duties of Nomination and Remuneration Committee:

A. The duties of the Committee in relation to nomination matters include:

- To ensure that appropriate induction and training programme are in place for new Directors and members of Senior Management and to periodically review its effectiveness;

INDEPENDENT AUDITOR'S REPORT

To the Members of Sanghi Industries Limited

Report on the Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying Ind AS financial statements of **Sanghi Industries Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act and Rules made thereunder including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018,

Sanghi Industries Limited

and its profit, total comprehensive income (comprising of profit and other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2018, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A"; and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – Refer Note 32 to the Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Company does not have any liability which is required to be transferred to Investor Education and Protection Fund.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date) Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Sanghi Industries Limited** (“the Company”) as of 31st March, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial control, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company ; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Sanghi Industries Limited

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph I under the heading of “Report on other legal and regulatory requirements” of our report of even date)

- i) In respect of its fixed assets :
- The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets .
 - As explained to us, all the fixed assets have been physically verified by the management in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such physical verification.
 - As per the information and explanations provided to us, title deeds of immovable properties are held in the name of the Company.
- ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. As informed, no material discrepancies were noticed on physical verification carried out during the year.
- iii) The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Consequently, the requirement of reporting under clause (iii) (a) to clause (iii) (c) of Paragraph 3 of the Order is not applicable to the Company.
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities. The Company has not granted any loans to any director or any person in whom director is interested as specified under Section 185 of the Companies Act, 2013 and hence reporting under clause (iv) of Paragraph 3 of the Order is not applicable to the Company to that extent.
- v) According to the information and explanations given to us, the Company has not accepted any deposits within the meaning of provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Therefore, the reporting under clause (v) of Paragraph 3 of the Order is not applicable to the Company.

Significant Accounting Policies

Note I

A. Company Information

Sanghi Industries Limited is engaged in the manufacturing and marketing of cement and cement products in domestic and export market. The Company's manufacturing facilities are at Sanghipuram, Gujarat and Registered Office at Sanghi nagar, R.R. District, Telangana. Equity shares of the Company are listed on The National Stock Exchange and Bombay Stock Exchange. The Financial Statements were approved and adopted by Board of Directors of the Company in their meeting held on 19th May 2018.

B. Significant accounting policies

a. Basis of preparation

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

b. Revenue recognition

I) Sale of goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, related discounts & incentives and volume rebates. It includes excise duty and excludes value added tax/Goods and Service Tax.

II) Interest Income

Interest income is recognised in books of accounts on accrual basis.

c. Property, plant and equipment

In accordance with Ind AS 16, the Company has elected to fair value the freehold land. All other items of property, plant and equipment are stated at acquisition cost of the items. Acquisition cost includes expenditure that is directly attributable to getting the asset ready for intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Items of spare parts that meets the definition of 'Property, plant and equipment' has to be recognised as property, plant and equipment. The depreciation on such an item of spare part will begin when the asset is available for use i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. In case of a spare part, as it may be readily available for use, it may be depreciated from the date of purchase of the spare part.

Capital work in progress is stated at cost, . All the direct expenditure related to implementation including incidental expenditure incurred during the period of implementation of a project, till it is commissioned, is accounted as Capital work in progress (CWIP) and after commissioning the same is transferred / allocated to the respective item of property, plant and equipment.

Pre-operating costs, being indirect in nature, are expensed to the statement of profit and loss as and when incurred.

The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Losses arising in the case of retirement of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

Depreciation

Depreciation is calculated to allocate the cost of assets, net of their residual values, over their estimated useful lives. Components having value significant to the total cost of the asset and life different from that of the main asset are depreciated over its useful life. Depreciation on Property, Plant and Equipment is provided on straight line method as per useful life provided in Schedule II of the Companies Act, 2013. Cement manufacturing plant is considered as continuous process plant..

Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal. Cost of lease-hold land is amortized equally over the period of lease.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss.

e. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that a company incurs in connection with the borrowing of funds.

f. Financial instruments

1. Financial assets

Financial assets are measured as at amortised cost, contractual revenue receivables and lease receivables.

Derecognition

A Financial Asset is primarily derecognized when:

The rights to receive cash flows from asset has expired, or

The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a “pass-through” arrangement ; and either

- a) The Company has transferred substantially all the risks and rewards of the asset, or
- b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

2. Financial liabilities

Initial recognition and measurement

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts. The same is recognized at fair value.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Offsetting of Financial Instruments.

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis to realize the assets and settle the liabilities simultaneously.

g. Taxes

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on the rates and tax laws enacted or substantively enacted, at the reporting date in the country where the entity operates and generates taxable income.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their corresponding carrying amounts for the financial reporting purposes. The carrying amount and unrecognized deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

MAT credit asset is recognized and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period. Deferred tax asset on unabsorbed depreciation and carried forward losses is recognized only if there is virtual certainty supported by convincing evidence.

h. Inventories

Inventories are valued at the lower of cost and net realisable value. Raw materials cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. For finished goods and work in progress, cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Items of spare parts that does not meet the definition of 'property, plant and equipment are recognised as a part of inventories.

i. Employee benefits

All employee benefits payable wholly within twelve months of rendering services are classified as short term employee benefits. Post-employment and other employee benefits are recognised as an expense at the present value of the amount payable determined using actuarial valuation techniques. Actuarial gains and loss in respect of post-employment and other long term benefits are charged to the statement of other comprehensive income.

j. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits.

k. Provisions, Contingent liabilities and Commitments

Contingent liability is disclosed in the case of such events where it is not probable that an outflow of resources will be required to settle the obligation arising out of such event. Provisions, contingent liabilities and commitments are reviewed at each balance sheet date.

l. Earnings per share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

m. Use of estimates and judgments

The presentation of the financial statements are in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

n. Statement of cash flows

Cash flow are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals of accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and finance activities of the Company are segregated.

o. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- (i) Expected to be realised or intended to be sold or consumed in normal operating cycle;
- (ii) Held primarily for the purpose of trading;
- (iii) Expected to be realised within twelve months after the reporting period, or
- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- 1. It is expected to be settled in normal operating cycle;
- 2. It is held primarily for the purpose of trading;
- 3. It is due to be settled within twelve months after the reporting period, or
- 4. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

Foreign currency translation

The financial statements are presented in Indian rupee (INR), which is company's functional and presentation currency. Transactions in foreign currencies are initially recorded at the respective currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the foreign currency spot rates of exchange at the reporting date.

Note - 30 Financial instruments – Fair values and risk management

A. Accounting classification and fair values

The management assessed that fair value of Trade Receivables, Cash and Cash Equivalents, Bank Balances, Short Term Borrowings, Trade Payables, Floating rate Borrowings and Fixed rate Borrowings approximate their carrying amounts.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

i. Risk management framework

The Company’s board of directors has overall responsibility for the establishment and oversight of the Company’s risk management framework. The Company manages cash resources, borrowing strategies, and ensures compliance with market risk limits and policies. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company’s activities. The audit committee oversees compliance with the Company’s risk management policies and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

Sanghi Industries Limited

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities.

Cash and other bank balances

The company maintains its Cash and cash equivalents and Bank deposits with banks with good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

Trade receivables

Credit risk is managed through credit approvals, ongoing credit evaluations of its customers' financial condition and monitoring the creditworthiness of its customers.

iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company maintains sufficient lines of credit to commensurate its business.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

The gross inflows/(outflows) disclosed in the above table represent the contractual undiscounted cash flows relating to derivative financial liabilities held for risk management purposes and which are not usually closed out before contractual maturity.

iv. Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates and interest rates - will affect the Company's income or the value of its holdings of financial instruments. Exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currency.

v. Currency risk

The functional currency of the Company is Indian Rupee. The Company is exposed to currency risk on account of its receivables, borrowings and payables for capital goods in foreign currency. The Company has not used derivative financial instruments either for hedging purpose or for trading or speculative purposes.

Sanghi Industries Limited

Sensitivity analysis

A reasonably possible strengthening (weakening) of the Indian Rupee against US dollars at March 31 would have affected the measurement of financial instruments denominated in US dollars and affected equity by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Effect in INR of 10% movement	USD
March 31, 2018	
Strengthening	(9.33)
Weakening	9.33

Effect in INR of 10% movement	USD
March 31, 2017

III. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	INR in crores	
	31 March, 2018	
	Increase	Decrease
	Gratuity	Gratuity
Discount rate (1% movement)	(0.41)	0.47
Salary growth rate (1% movement)	0.44	(0.39)

	Increase	Decrease
	Gratuity	Gratuity
Discount rate (1% movement)	(0.38)	0.44
Salary growth rate (1% movement)	0.39	(0.35)

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

Note37

Balance of Debtors, Creditors, Advances and Deposits are subject to confirmation and reconciliation, if any.

Note38

Goods and Service Tax (GST) has been implemented w.e.f. 01.07.2017. Accordingly, GST is being levied as against Excise duty applicable hitherto. Since, excise duty is included in the revenue and GST is not included in revenue, revenue from operations for current year ended 31st March 2018 is not comparable with the previous year. Excise amounting to INR 25.65 Cr (Previous Year INR 104.49 Cr) is included in Revenue from operations.
