Item No. 9 and 10

The provisions of the SEBI Listing Regulations, as amended by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective 1st April, 2022, mandates prior approval of shareholders of a listed entity by means of an ordinary resolution for all Material Related Party Transactions ('RPTs'), even if such transactions are in the ordinary course of business of the concerned Company and at an arm's length basis.

Effective from April 1, 2022, a transaction with a related party shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, exceed(s) ₹ 1,000 crore, or 10% of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower.

The Company has entered / proposed to enter into certain related party transaction(s) with Ambuja Cements Limited and/or its wholly owned unlisted subsidiaries and ACC Limited and/or its wholly owned unlisted subsidiaries as mentioned below, on mutually agreed terms and conditions, and the aggregate of such transaction(s), are expected to cross the applicable materiality thresholds as mentioned above. Accordingly, as per the SEBI Listing Regulations, prior approval of the Members is required to be obtained for all such arrangements / transactions proposed to be undertaken by the Company.

The Audit Committee consisting of Independent Directors have, on the basis of relevant details provided by the management, as required by the law, reviewed and approved the said transaction(s), while noting that transactions shall be on Arms' length basis and in the ordinary course of business. Arms' length opinion in relation to the said transactions taken from M/s , Shailesh Haribhakti & Associates, Chartered Accountants Mumbai is available on company's website at link https://www.sanghiment.com/wp-content/uploads/Opinion-on-Transaction-at-Arms-Length_SIL.pdf

Rationale of the Transactions:

Ambuja Cements Limited (ACL) and ACC Limited (ACC) are engaged principally in the business of manufacturing, selling and dealing in all kinds of cement, clinker and allied products. The Company has entered \ propose to enter into transactions with ACL for purchase / sale of Cement, clinker, raw materials and allied products and rendering / procuring various services which will have the following benefits to the Company:

- Achieving synergies and economies of scale including optimum capacity utilization
- Save operational and administrative cost by avoiding duplication of back end and common operations
- Strengthening the sustainability of the business including environmental sustainability
- Conservation of natural resources
- Optimization of cost to serve the market
- Higher ESG Standards

1. Sale / Purchase of Cement, Clinker, Raw Materials, Spare parts and Availing / Rendering of related Services:

Optimum Utilization of Plant Installed Capacity:

The Company has an installed capacity of 6.60 MTPA for Clinker and 6.10 MTPA for Cement. For various reasons, including financial constraints, the Company has been operating below 25% utilization of its installed capacity. Post acquisition by ACL, the Company has entered into Master Supply Agreement and Master Service Agreement (both the agreements collectively referred as "MSA") with ACL and ACC for the purpose of Sale of Cement, Clinker and allied products. MSA will cover purchase/sale of raw materials and spare parts apart from availing / rendering of services. Under the MSA, ACL and ACC will bulk purchase Clinker and Cement produced by the Company, which will then be sold under AMBUJA/ACC Brand. With this arrangement, the Company is expected to improve its capacity utilization to around 80%, turn EBITDA positive and improve

its operating cashflow. Such an arrangement will save the Company from financial constraints and in the larger interest of all the stakeholders i.e. Creditors, Governments, Shareholders, Employees etc. of the Company.

Advance Payment for manufacturing of Clinker and Cement

As per the MSA, the company will receive advance payment alongwith the purchase order, the same will be used for the working capital and smooth operations of the Company. Thus, the Company will not have any financial constraint in future.

Positive Impact on Earnings before Interest Depreciation and Tax (EBIDTA):

The EBIDTA of the Company is about 32% Negative during the half year ended 30th September 2023. Considering the transactions undertaken / proposed to be undertaken with ACL and ACC, it is expected that the EBIDTA of the Company will be positive about 9%. Further turnover of the company will be increased to about Rs 2000 Crore hence EBIDTA will be about Rs 180 Crore.

2. Availing Financial Assistance in the form of Inter-corporate Deposits from ACL:

Considering the present scenario and the liquidity crunch faced by the Company, ACL has already provided long-term Unsecured Loan (Inter-Corporate Deposit, "ICD") of Rs. 2,110 Crore at 8% interest rate, which was used by the Company to repay existing secured debts bearing about 20 % average interest rates and working capital requirements. Further, it is proposed that ACL, the Parent Company will provide additional financial assistance of upto Rs. 500 Crore by way of Unsecured Loan (ICD) to the Company in one or more tranches, which will be used to meet the working capital requirements, plant balancing and refurbishment, IT upgradation, initiatives towards ESG and other general corporate purposes.

Interest of 8% p.a. will be charged on the said ICD, which is in line with the prevailing market yield rate.

Overall impact of transactions on the Company's financials

The Related Party Transactions will have positive impact on the liquidity of the Company. As there is assurance for bulk purchase of Clinker, Cement and allied products of the Company, the Company will not be prone to the liquidity crunch and will also have the ability to meet its overheads and other working capital requirements. The Company will be able to run the business operations smoothly which will be beneficial for all the stakeholders of the Company.

Item 11

The provisions of the SEBI Listing Regulations, as amended by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective 1st April, 2022, mandates prior approval of shareholders of a listed entity by means of an ordinary resolution for all Material Related Party Transactions ('RPTs'), even if such transactions are in the ordinary course, of business of the concerned Company and at an arm's length basis.

Effective from April 1, 2022, a transaction with a related party shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, exceed(s) ₹ 1,000 crore, or 10% of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower.

The Company, has entered / proposed to enter into certain related party transaction(s) with Adani Enterprises Limited (AEL) and its Subsidiaries as mentioned below, on mutually agreed terms and conditions, and the aggregate of such transaction(s), are expected to cross the applicable materiality thresholds as mentioned above. Accordingly, as per the SEBI Listing Regulations, prior approval of the Members is required to be obtained for all such arrangements / transactions proposed to be undertaken by the Company.

The Audit Committee (consisting of Independent Directors only) have, on the basis of relevant details provided by the management, as required by the law, reviewed and approved the said transaction(s), while noting that transactions shall be on Arms' length basis and in the ordinary course of business.

Any valuation or other external report, if any, relied upon by the Company in relation to the proposed transactions will be made available on request through the registered email address of the members.

Rationale of the Transaction:

Purchase of solid fuels, fly ash etc and availing of shared business services :

Adani Enterprises Limited (AEL) is recognized as India's largest listed business incubator, with a focus on four core sectors: energy and utility, transportation and logistics, consumer goods, and primary industry.

The Company was acquiring the solid fuels from third party(ies) wherein SIL was facing operational complexity w.r.t. terms of delivery, opening letter of credits including delayed supply of coal and more importantly, quality issues.

Considering the above difficulties, AEL an entity under the common control has agreed to supply superior & consistent quality of Coal with efficient and improved logistics at an Arms' length price, therefore the Company has entered / proposed to enter into transaction with AEL for purchase of Solid fuels (Primary Raw Material - Coal) which is used as fuel for the purpose of manufacturing of Clinker, Cement and allied products. The consistent supply of superior quality solid fuels by AEL to SIL will be in the overall interest of all the stakeholders of the Company as a whole.

Availability of fly ash near to the plant will save logistic cost, it would be prudent to purchase fly ash from AEL at the prevailing market price.

Further, AEL provides Shared business services to all Adani Group Companies, hence it is proposed to avail such services from AEL for administrative convenience, cost effective manner and robust financial control.
